Notice is hereby given, that under instructions just received from the Honorable Court of Directors, the following Terms and Conditions for making Advances upon the Goods and Merchandize of Individuals intended for Consignment to England re-payable to the Court of Directors of the East India Company, have been substituted for those contained in the Advertisement of this Department, dated the 27th October 1834.

1st.—The parties to whom Advances may be made shall agree that the respective Consignments be delivered into such Warehouses as the Court of Directors may approve: and that they be subject to the Control of the Court of Directors until the lien of the Company upon the Consignment shall have been satisfied.

2d.—Upon each Consignment, the value of which is to be ascertained by the Officers of the Indian Government, or Authorized Agents of the East India Company, an Advance not exceeding two-thirds of such ascertained value will be made.

3d.—For re-payment of the Advance, Bills of Exchange to be drawn in triplicate, at six months sight, at the rate of—

s. d.

Per Company's Rupee for Advances made at.....	Bengal.

Ditto.....	Ditto.....
Per Spanish Dollar, Ditto.....	China.

4th.—The Parties will be required to place in the hands of the Board of Customs, Salt and Opium, Bills of Lading of the Consignment and Policies of Insurance effected thereon, both in triplicate. The Bills of Lading must be drawn deliverable to the East India Company, or endorsed to the order of the East India Company. The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors

to be authorized, in such manner and at such times as they may see fit to sell the Goods, for the purpose of re-paying the Company the amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

6th.—An Agent in England shall be appointed for each Consignment, to whom the Court of Directors shall be empowered to make over the Goods, subject to all the conditions agreed upon with the Company, on payment of the Bills; and with whom they shall be authorized to transact generally all business relating to such Goods. The Consignor shall be at liberty to make provision, in case of the Party upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

8th.—The rate of Discount to be allowed by the Company shall be the same as that charged by the Bank of England.

MINT.
THE 9TH MAY, 1838.**

The Public is hereby informed, that the Mint Master of Calcutta has been authorized, until further orders, to receive Bombay and Furruckabad Rupees in like manner as Madras Rupees, and generally the Rupees issued from any Mint of the British Government that may still be a legal tender in any part of India for recoinage, without demand of Seignorage duty—Rupees of any such coinage will be received by weight according to the forms of the Mint for the receipt of Bullion, and if of equal standard a Mint Certificate will be granted entitling the holder to Company's Rupees of equal weight. If the coin brought be better than standard, the advantage will be given according to the Tables, but counterfeit pieces, as well as drilled, plugged and other bad coin, will of course be rejected. The Mint of Calcutta will not however receive a less quantity of the coins above specified than 1,000 Tolas, but for the convenience of Officers and Soldiers and other persons in public employ, less sums than 1,000 Tolas will be exchanged on the same terms at the General Treasury,—the Sub-Treasurer having been authorized to collect them for transmission to the Mint.

The Hon'ble the Deputy Governor of Bengal directs that the following Extract from a Dispatch from the Hon'ble the Court of Directors in the Financial Department, dated the 20th March last, be published for the information of the Members of the Civil Service of this Presidency:

Para. 1. In our Despatch to India in this Department dated 27th May 1835, we sanctioned for a limited period and on specific conditions the appropriation to Subscribers to the Civil Service Retiring Funds of two-thirds of the unaccepted Annuities of each year at one-fourth instead of one-half their value, and we desired that twelve months before the expiration of the period fixed there might be transmitted to us particular information of the state of the Funds at that date, and of the effect produced by the authorized modification in order that we might determine upon the propriety of its continuance.

2d. We rely upon receiving the information required as soon as possible after the appointed period—but to prevent inconvenience from the declaration of our intentions not having reached India at the date of the expiration of the time to which the trial of the

plan was limited, we are willing to enlarge that limitation to the 30th of April 1840; and we desire to be furnished with an account made up to the 30th of April 1839, similar to that required in our Despatch above referred to.

The Hon'ble the Deputy Governor of Bengal directs, that the following Extract from a Despatch from the Hon'ble the Court of Directors, in the Financial Department, dated the 28th March 1838, be published for information.

14. *Relates to Application from Messrs. Bruce, Shand and Co. for advance upon Goods consigned to Liverpool, the Bills being payable in London, which was refused.*

5. In our Despatch to Bombay in this Department dated the 6th July 1836, a copy of which was forwarded for your information, we authorized the Bombay Government so far to relax the Regulations for effecting remittances as to make advances on Goods consigned to Liverpool, in consideration of its being almost exclusively the Port of the great Cotton District of England, but with the proviso that the Bills must in all cases be made payable in London, and we shall not object to sanction a similar relaxation of the Regulations at your Presidency. You will distinctly understand however that no modification of this kind can be permitted without previous reference to us, and in case of such reference becoming necessary, we desire that you will furnish us with any information which you may be able to obtain as to the probability of an extensive or permanent demand for remittance to the proposed Port, in order that our judgment may be assisted in deciding upon arrangements with which considerable trouble and expense are connected for local management and superintendence.

6. Glasgow being the chief Port for the Cotton District of Scotland, as is Liverpool for that of England, we shall not object to advances on Goods consigned to that Port—such extension must take place upon the same conditions in every respect as those which we have laid down with regard to Liverpool.

FORT WILLIAM,

GENERAL DEPARTMENT, 26TH JUNE, 1832.

All Public Officers of Government sending Advertisements to the *Calcutta Gazette* for Publication, are hereby directed to make them as short as possible, and to specify always how many times the Advertisement shall be repeated.

By Order of the Hon'ble the Vice President in Council,

H. T. PRINSEP, *Secy. to the Govt.*

FORT WILLIAM,

FINANCIAL DEPARTMENT,

THE 15TH JUNE, 1836.

Notice is hereby given, that under instructions just received from the Honorable Court of Directors, the following Terms and Conditions for making Advances upon the Goods and Merchandize of Individuals intended for Consignment to England re-payable to the Court of Directors of the East India Company, have been substituted for those contained in the Advertisement of this Department, dated the 27th October 1831.

1st.—The parties to whom Advances may be made shall agree that the respective Consignments be delivered into such Warehouses as the Court of Directors may approve: and that they be subject to the Control of the Court of Directors until the lien of the Company upon the Consignment shall have been satisfied.

2d.—Upon each Consignment, the value of which is to be ascertained by the Officers of the Indian Government, or Authorized Agents of the East India Company, an Advance not exceeding two-thirds of such ascertained value will be made.

3d.—For re-payment of the Advance, Bills of Exchange to be drawn in triplicate, at six months sight, at the rate of—

s. d.

Per Company's Rupee for Advances made at.....	Bengal.
Ditto..... Ditto.....	Madras.
Ditto..... Ditto.....	Bombay.
Per Spanish Dollar, Ditto.....	China.

4th.—The Parties will be required to place in the hands of the Board of Customs, Salt and Opium, Bills of Lading of the Consignment and Policies of Insurance effected thereon, both in triplicate. The Bills of Lading must be drawn deliverable to the East India Company, or endorsed to the order of the East India Company. The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors

to be authorized, in such manner and at such times as they may see fit to sell the Goods, for the purpose of re-paying the Company the amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

6th.—An Agent in England shall be appointed for each Consignment, to whom the Court of Directors shall be empowered to make over the Goods subject to all the conditions agreed upon with the Company, on payment of the Bills; and with whom they shall be authorized to transact generally all business relating to such Goods. The Consignor shall be at liberty to make provision, in case of the Party upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

8th.—The rate of Discount to be allowed by the Company shall be the same as that charged by the Bank of England.

9th.—It is expected that Parties or their Agents will cause the Goods to be Insured from fire, such Insurance to take effect from the date of the termination of the Sea risk; as the East India Company will not undertake to effect any Insurance upon them.

10th.—Parties receiving Advances, to address in each instance a Letter in quadruplicate to the Court of Directors, according to a form which will be furnished by the Officers of Government (or authorized Agents of the East India Company), signifying their assent to all the foregoing conditions, but more particularly for the purpose of expressly authorizing the sale of the Goods by the Company (without either notice to or concurrence of any person whomsoever) at any period after default shall be made either in acceptance or payment of the Bills; also authorizing, in such cases, the re-paying to the Company the Advances made, either principal or interest, together with any other charges or expenses which the Company may have incurred in respect of the Goods, and appointing the Agent in England for each transaction.

MINT.
THE 9TH MAY, 1838.**

The Public is hereby informed, that the Mint Master of Calcutta has been authorized, until further orders, to receive Bombay and Furruckabad Rupees in like manner as Madras Rupees, and generally the Rupees issued from any Mint of the British Government that may still be a legal tender in any part of India for recoinage, without demand of Seignorage duty—Rupees of any such coinage will be received by weight according to the forms of the Mint for the receipt of Bullion, and if of equal standard a Mint Certificate will be granted entitling the holder to Company's Rupees of equal weight. If the coin brought be better than standard, the advantage will be given according to the Tables, but counterfeit pieces, as well as drilled, plugged and other bad coin, will of course be rejected. The Mint of Calcutta will not however receive a less quantity of the coins above specified than 1,000 Tolas, but for the convenience of Officers and Soldiers and other persons in public employ, less sums than 1,000 Tolas will be exchanged on the same terms at the General Treasury,—the Sub-Treasurer having been authorized to collect them for transmission to the Mint.

The Hon'ble the Deputy Governor of Bengal directs that the following Extract from a Dispatch from the Hon'ble the Court of Directors in the Financial Department, dated the 20th March last, be published for the information of the Members of the Civil Service of this Presidency:

Para. 1. In our Despatch to India in this Department dated 27th May 1835, we sanctioned for a limited period and on specific conditions the appropriation to Subscribers to the Civil Service Retiring Funds of two-thirds of the unaccepted Annuities of each year at one-fourth instead of one-half their value, and we desired that twelve months before the expiration of the period fixed there might be transmitted to us particular information of the state of the Funds at that date, and of the effect produced by the authorized modification in order that we might determine upon the propriety of its continuance.

2d. We rely upon receiving the information required as soon as possible after the appointed period—but to prevent inconvenience from the declaration of our intentions not having reached India at the date of the expiration of the time to which the trial of the

plan was limited, we are willing to enlarge that limitation to the 30th of April 1840; and we desire to be furnished with an account made up to the 30th of April 1839, similar to that required in our Despatch above referred to.

THE 27TH JUNE, 1838.**

The Hon'ble the Deputy Governor of Bengal directs, that the following Extract from a Despatch from the Hon'ble the Court of Directors, in the Financial Department, dated the 28th March 1838, be published for information.

14. *Relates to Application from Messrs. Bruce, Shand and Co. for advance upon Goods consigned to Liverpool, the Bills being payable in London, which was refused.*

5. In our Despatch to Bombay in this Department dated the 6th July 1836, a copy of which was forwarded for your information, we authorized the Bombay Government so far to relax the Regulations for effecting remittances as to make advances on Goods consigned to Liverpool, in consideration of its being almost exclusively the Port of the great Cotton District of England, but with the proviso that the Bills must in all cases be made payable in London, and we shall not object to sanction a similar relaxation of the Regulations at your Presidency.

You will distinctly understand however that no modification of this kind can be permitted without previous reference to us, and in case of such reference becoming necessary, we desire that you will furnish us with any information which you may be able to obtain as to the probability of an extensive or permanent demand for remittance to the proposed Port, in order that our judgment may be assisted in deciding upon arrangements with which considerable trouble and expense are connected for local management and superintendence.

6. Glasgow being the chief Port for the Cotton District of Scotland, as is Liverpool for that of England, we shall not object to advances on Goods consigned to that Port—such extension must take place upon the same conditions in every respect as those which we have laid down with regard to Liverpool.

By Order of the Hon'ble the Deputy Governor of Bengal,

H. T. PRINSEP,
Secy. to the Govt. of Bengal.

FORT WILLIAM,

FINANCIAL DEPARTMENT,

THE 15TH JUNE, 1836.

Notice is hereby given, that under instructions just received from the Honorable Court of Directors, the following Terms and Conditions for making Advances upon the Goods and Merchandize of Individuals intended for Consignment to England re-payable to the Court of Directors of the East India Company, have been substituted for those contained in the Advertisement of this Department, dated the 27th October 1834.

1st.—The parties to whom Advances may be made shall agree that the respective Consignments be delivered into such Warehouses as the Court of Directors may approve: and that they be subject to the Control of the Court of Directors until the lien of the Company upon the Consignment shall have been satisfied.

2d.—Upon each Consignment, the value of which is to be ascertained by the Officers of the Indian Governments, or Authorized Agents of the East India Company, an Advance not exceeding two-thirds of such ascertained value will be made.

3d.—For re-payment of the Advance, Bills of Exchange to be drawn in triplicate, at six months sight, at the rate of—

<i>s. d.</i>	Per Company's Rupees for Advances made at.....	Bengal.
	Ditto.....	Madras.
	Ditto.....	Bombay.
	Per Spanish Dollar, Ditto.....	China.

4th.—The Parties will be required to place in the hands of the Board of Customs, Salt and Opium, Bills of Lading of the Consignment and Policies of Insurance effected thereon, both in triplicate. The Bills of Lading must be drawn deliverable to the East India Company, or endorsed to the order of the East India Company. The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors

to be authorized, in such manner and at such times as they may see fit to sell the Goods, for the purpose of re-paying the Company the amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

6th.—An Agent in England shall be appointed for each Consignment, to whom the Court of Directors shall be empowered to make over the Goods, subject to all the conditions agreed upon with the Company, on payment of the Bills; and with whom they shall be authorized to transact generally all business relating to such Goods. The Consignor shall be at liberty to make provision, in case of the Party upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

8th.—The rate of Discount to be allowed by the Company shall be the same as that charged by the Bank of England.

9th.—It is expected that Parties or their Agents will cause the Goods to be Insured from fire, such Insurance to take effect from the date of the termination of the Sea risk; as the East India Company will not undertake to effect any Insurance upon them.

10th.—Parties receiving Advances, to address in each instance a Letter in quadruplicate to the Court of Directors, according to a form which will be furnished by the Officers of Government (or authorized Agents of the East India Company), signifying their assent to all the foregoing conditions, but more particularly for the purpose of expressly authorizing the sale of the Goods by the Company (without either notice to or concurrence of any person whomsoever) at any period after default shall be made either in acceptance or payment of the Bills; also authorizing, in such cases, the re-paying to the Company the Advances made, either principal or interest, together with any other charges or expenses which the Company may have incurred in respect of the Goods, and appointing the Agent in England for each transaction.

MINT.

THE 9TH MAY, 1838.

The Public is hereby informed, that the Mint Master of Calcutta has been authorized, until further orders, to receive Bombay and Furruckabad Rupees in like manner as Madras Rupees, and generally the Rupees issued from any Mint of the British Government that may still be a legal tender in any part of India for recoinage, without demand of Seignorage duty—Rupees of any such coinage will be received by weight according to the forms of the Mint for the receipt of Bullion, and if of equal standard a Mint Certificate will be granted entitling the holder to Company's Rupees of equal weight. If the coin brought be better than standard, the advantage will be given according to the Tables, but counterfeit pieces, as well as drilled, plugged and other bad coin, will of course be rejected. The Mint of Calcutta will not however receive a less quantity of the coins above specified than 1,000 Tolas, but for the convenience of Officers and Soldiers and other persons in public employ, less sums than 1,000 Tolas will be exchanged on the same terms at the General Treasury, the Sub-Treasurer having been authorized to collect them for transmission to the Mint.

FORT WILLIAM,
FINANCIAL DEPARTMENT,

THE 23D MAY, 1838.

The Hon'ble the Deputy Governor of Bengal directs, that the following Extract from a Despatch from the Hon'ble the Court of Directors in the Financial Department, dated the 20th March last, be published for the information of the Members of the Civil Service of this Presidency:

Para. 1. In our Despatch to India in this Department dated 27th May 1835, we sanctioned for a limited period and on specific conditions the appropriation to Subscribers to the Civil Service Retiring Funds of two-thirds of the unaccepted Annuities of each year at one-fourth instead of one-half their value, and we desired that twelve months before the expiration of the period fixed there might be transmitted to us particular information of the state of the Funds at that date, and of the effect produced by the authorized modification in order that we might determine upon the propriety of its continuance.

2d. We rely upon receiving the information required as soon as possible after the appointed period—but to prevent inconvenience from the declaration of our intentions not having reached India at the date of the expiration of the time to which the trial of the

plan was limited, we are willing to enlarge that limitation to the 30th of April 1840; and we desire to be furnished with an account made up to the 30th of April 1839, similar to that required in our Despatch above referred to.

FORT WILLIAM,
FINANCIAL DEPARTMENT,

THE 27TH JUNE, 1838.

The Hon'ble the Deputy Governor of Bengal directs, that the following Extract from a Despatch from the Hon'ble the Court of Directors, in the Financial Department, dated the 28th March 1838, be published for information.

14. *Relates to Application from Messrs. Bruce, Shand and Co. for advance upon Goods consigned to Liverpool, the Bills being payable in London, which was refused.* 5. In our Despatch to Bombay in this Department dated the 6th July 1836, a copy of which was forwarded for your information, we authorized the Bombay Government so far to relax the Regulations for effecting remittances as to make advances on Goods consigned to Liverpool, in consideration of its being almost exclusively the Port of the great Cotton District of England, but with the proviso that the Bills must in all cases be made payable in London, and we shall not object to sanction a similar relaxation of the Regulations at your Presidency. You will distinctly understand however that no modification of this kind can be permitted without previous reference to us, and in case of such reference becoming necessary, we desire that you will furnish us with any information which you may be able to obtain as to the probability of an extensive or permanent demand for remittance to the proposed Port, in order that our judgment may be assisted in deciding upon arrangements with which considerable trouble and expense are connected for local management and superintendence.

6. Glasgow being the chief Port for the Cotton District of Scotland, and as Liverpool for that of England, we shall not object to advances on Goods consigned to that Port—such extension must take place upon the same conditions in every respect as those which we have laid down with regard to Liverpool.

UNION BANK.

THE Seventeenth Half Yearly General Meet-
ing of Proprietors is appointed for Saturday,
the 14th proximo, at noon, for the inspection of
Accounts and transaction of General Business, also
for the Election of four Directors in the room of
Bahoo Dwarkanauth Tagore, Robert Scott Thomp-
son, Esq., Baboo Promothanauth Day, and Baboo
Prossanno Coomar Tagore, whose period of service
has expired.

By order of the Directors,

JOHN STORM,

Acting Secy. to the Union Bank.

June 26, 1838.

The Accounts of the six months ending 30th instant,
will be on the Table on and after Thursday, the
12th proximo.

The Directors further give notice that the afore-
said Half-yearly General Meeting is made Special,
for the consideration of a claim preferred by Mr.
J. J. D'Anselme, a Proprietor, for a proportion of
profits arising on the sale of certain forfeited Shares
of Bank Stock sold at the General Meeting of Pro-
prietors on the 16th February last.

JOHN STORM, Actg. Secy.

UNION BANK.—By the Union Bank Resolutions
of 15th January 1838, (the 3d in particular)
the Acting Secretary's Notification terming those Shares
of New Stock that were not taken up "forfeited," is
erroneous.

It was optional with Proprietors to pay for New
Stock or take the chance of Sale for their benefit.

This public notice is taken of the Union Bank's
Notification that appeared in this Paper of the 7th inst.
and previous days, to correct an error that the Acting
Secretary is unwilling to do; particularly as that Noti-
fication does not accord with the tenor of the requi-
sition to make the next Half-yearly Meeting Special,
but seems framed more to suit the views of an adverse
party.

FORT WILLIAM,
GENERAL DEPARTMENT, 26TH JUNE, 1832.

All Public Officers of Government sending Advertisements to the *Calcutta Gazette* for Publication, are hereby directed to make them as short as possible, and to specify always how many times the Advertisement shall be repeated.

By Order of the Hon'ble the Vice President in Council,

H. T. PRINSEP, *Secy. to the Govt.*

FORT WILLIAM,
FINANCIAL DEPARTMENT,
THE 15TH JUNE, 1836.

Notice is hereby given, that under instructions just received from the Honorable Court of Directors, the following Terms and Conditions for making Advances upon the Goods and Merchandize of Individuals intended for Consignment to England re-payable to the Court of Directors of the East India Company, have been substituted for those contained in the Advertisement of this Department, dated the 27th October 1834.

1st.—The parties to whom Advances may be made shall agree that the respective Consignments be delivered into such Warehouses as the Court of Directors may approve: and that they be subject to the Control of the Court of Directors until the lien of the Company upon the Consignment shall have been satisfied.

2d.—Upon each Consignment, the value of which is to be ascertained by the Officers of the Indian Governments, or Authorized Agents of the East India Company, an Advance not exceeding two-thirds of such ascertained value will be made.

3d.—For re-payment of the Advance, Bills of Exchange to be drawn in triplicate, at six months sight, at the rate of—

s. d.

Per Company's Rupee for Advances made at.....	Bengal.
Ditto..... Ditto.....	Madras.
Ditto..... Ditto.....	Bombay.
Per Spanish Dollar, Ditto.....	China.

4th.—The Parties will be required to place in the hands of the Board of Customs, Salt and Opium, Bills of Lading of the Consignment and Policies of Insurance effected thereon, both in triplicate. The Bills of Lading must be drawn deliverable to the East India Company, or endorsed to the order of the East India Company. The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors

to be authorized, in such manner and at such times as they may see fit to sell the Goods, for the purpose of re-paying the Company the amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

6th.—An Agent in England shall be appointed for each Consignment, to whom the Court of Directors shall be empowered to make over the Goods, subject to all the conditions agreed upon with the Company, on payment of the Bills; and with whom they shall be authorized to transact generally all business relating to such Goods. The Consignor shall be at liberty to make provision, in case of the Party upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

8th.—The rate of Discount to be allowed by the Company shall be the same as that charged by the Bank of England.

9th.—It is expected that Parties or their Agents will cause the Goods to be Insured from fire, such Insurance to take effect from the date of the termination of the Sea risk; as the East India Company will not undertake to effect any Insurance upon them.

10th.—Parties receiving Advances, to address in each instance a Letter in quadruplicate to the Court of Directors, according to a form which will be furnished by the Officers of Government (or authorized Agents of the East India Company), signifying their assent to all the foregoing conditions, but more particularly for the purpose of expressly authorizing the sale of the Goods by the Company, (without either notice to or concurrence of any person whomsoever) at any period after default shall be made either in acceptance or payment of the Bills; also authorizing, in such cases, the re-paying to the Company the Advances made, either principal or interest, together with any other charges or expenses which the Company may have incurred in respect of the Goods, and appointing the Agent in England for each transaction.

The Honorable the President in Council gives notice, that the Mint Master at Calcutta has been authorized to receive, until further orders, Madras Rupees of full weight at their intrinsic par, viz. as equal to Company's Rupees, without any charge of seignorage for recoinage.

MINT.

THE 9TH MAY, 1838.

The Public is hereby informed, that the Mint Master of Calcutta has been authorized, until further orders, to receive Bombay and Furruckabad Rupees in like manner as Madras Rupees, and generally the Rupees issued from any Mint of the British Government that may still be a legal tender in any part of India for recoinage, without demand of Seignorage duty—Rupees of any such coinage will be received by weight according to the forms of the Mint for the receipt of Bullion, and if of equal standard a Mint Certificate will be granted entitling the holder to Company's Rupees of equal weight. If the coin brought be better than standard, the advantage will be given according to the Tables, but counterfeit pieces, as well as drilled, plugged and other bad coin, will of course be rejected. The Mint of Calcutta will not however receive a less quantity of the coins above specified than 1,000 Tolas, but for the convenience of Officers and Soldiers and other persons in public employ, less sums than 1,000 Tolas will be exchanged on the same terms at the General Treasury,—the Sub-Treasurer having been authorized to collect them for transmission to the Mint.

**FORT WILLIAM,
FINANCIAL DEPARTMENT,**

THE 23D MAY, 1838.

The Hon'ble the Deputy Governor of Bengal directs that the following Extract from a Dispatch from the Hon'ble the Court of Directors in the Financial Department, dated the 20th March last, be published for the information of the Members of the Civil Service of this Presidency:

Para. 1. In our Despatch to India in this Department dated 27th May 1835, we sanctioned for a limited period and on specific conditions the appropriation to Subscribers to the Civil Service Retiring Funds of two-thirds of the unaccepted Annuities of each year at one-fourth instead of one-half their value, and we desired that twelve months before the expiration of the period fixed there might be transmitted to us particular information of the state of the Funds at that date, and of the effect produced by the authorized modification in order that we might determine upon the propriety of its continuance.

2d. We rely upon receiving the information required as soon as possible after the appointed period—but to prevent inoperance from the declaration of our intentions not having reached India at the date of the expiration of the time to which the trial of the

plan was limited, we are willing to enlarge that limitation to the 30th of April 1840; and we desire to be furnished with an account made up to the 30th of April 1839, similar to that required in our Despatch above referred to.

H. T. PRINSEP,
Secy. to the Govt. of Bengal.

**FORT WILLIAM,
FINANCIAL DEPARTMENT,**

THE 27TH JUNE, 1838.

The Hon'ble the Deputy Governor of Bengal directs, that the following Extract from a Despatch from the Hon'ble the Court of Directors in the Financial Department, dated the 28th March 1838, be published for information.

14. *Relates to Application from Messrs. Bruce, Shand and Co. for advance upon Goods consigned to Liverpool, the Bills being payable in London, which was refused.*

5. In our Despatch to Bombay in this Department dated the 6th July 1836, a copy of which was forwarded for your information, we authorized the Bombay Government so far to relax the Regulations for effecting remittances as to make advances on Goods consigned to Liverpool, in consideration of its being almost exclusively the Port of the great Cotton District of England, but with the proviso that the Bills must in all cases be made payable in London, and we shall not object to sanction a similar relaxation of the Regulations at your Presidency.

You will distinctly understand however that no modification of this kind can be permitted without previous reference to us, and in case of such reference becoming necessary, we desire that you will furnish us with any information which you may be able to obtain as to the probability of an extensive or permanent demand for remittance to the proposed Port, in order that our judgment may be assisted in deciding upon arrangements with which considerable trouble and expense are connected for local management and superintendence.

6. Glasgow being the chief Port for the Cotton District of Scotland, as is Liverpool for that of England, we shall not object to advances on Goods consigned to that Port—such extension must take place upon the same conditions in every respect as those which we have laid down with regard to Liverpool.

NOTICE.—All the Letters delivered at this Office from the 14th to 17th ultimo, inclusive, for transmission to Penang, Singapore, Malacca and China, respectively, by the "Bengal Packet," have been forwarded to their several destinations by the "Forth."

The delay which has taken place in the transmission of the abovementioned Letters, is explained in the subjoined copy of a Letter from the late Chief Officer of the "Bengal Packet."

TO THE POST MASTER GENERAL.

SIR,—Herewith I have the honor to transmit Seven Post Office Packets Mails which were shipped on the "Bengal Packet" for Singapore and China. On receipt of them they were placed in my chest for greater security, but as I was arrested and taken out of the Ship, they were sent on shore with my clothes. Upon my release I observed them amongst my clothes, and have taken this (the first) opportunity of delivering them up.

In conclusion, I must beg to state that no blame can be attached to Captain Steward as he is not aware of their being missing, nor will he be so until his arrival at his destination.

I have, &c.,

(Signed) GEORGE MIDDLETON,

Late Chief Mate of the Bengal Packet.

FORT WILLIAM,

GENERAL DEPARTMENT, 26TH JUNE, 1832.

All Public Officers of Government sending Advertisements to the *Calcutta Gazette* for Publication, are hereby directed to make them as short as possible, and to specify always how many times the Advertisement shall be repeated.

By Order of the Hon'ble the Vice President in Council,

H. T. PRINSEP, *Secy. to the Govt.*

FORT WILLIAM,

FINANCIAL DEPARTMENT,

THE 15TH JUNE, 1836.

Notice is hereby given, that under instructions just received from the Honorable Court of Directors, the following Terms and Conditions for making Advances upon the Goods and Merchandize of Individuals intended for Consignment to England re-payable to the Court of Directors of the East India Company, have been substituted for those contained in the Advertisement of this Department, dated the 27th October 1834.

1st.—The parties to whom Advances may be made shall agree that the respective Consignments be delivered into such Warehouses as the Court of Directors may approve: and that they be subject to the Control of the Court of Directors until the lien of the Company upon the Consignment shall have been satisfied.

2d.—Upon each Consignment, the value of which is to be ascertained by the Officers of the Indian Governments, or Authorized Agents of the East India Company, an Advance not exceeding two-thirds of such ascertained value will be made.

3d.—For re-payment of the Advance, Bills of Exchange to be drawn in triplicate, at six months sight, at the rate of—

a. d.

Per Company's Rupee for Advances made at.....	Bengal.
Ditto.....	Madras.
Ditto.....	Bombay.
Per Spanish Dollar, Ditto.....	China.

4th.—The Parties will be required to place in the hands of the Board of Customs, Salt and Opium, Bills of Lading of the Consignment and Policies of Insurance effected thereon, both in triplicate. The Bills of Lading must be drawn deliverable to the East India Company, or endorsed to the order of the East India Company. The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors

to be authorized, in such manner and at such times as they may see fit to sell the Goods, for the purpose of re-paying the Company the amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

6th.—An Agent in England shall be appointed for each Consignment, to whom the Court or Directors shall be empowered to make over the Goods, subject to all the conditions agreed upon with the Company, on payment of the Bills; and with whom they shall be authorized to transact generally all business relating to such Goods. The Consignor shall be at liberty to make provision, in case of the Party upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

8th.—The rate of Discount to be allowed by the Company shall be the same as that charged by the Bank of England.

9th.—It is expected that Parties or their Agents will cause the Goods to be Insured from fire, such Insurance to take effect from the date of the termination of the Sea risk; as the East India Company will not undertake to effect any Insurance upon them.

10th.—Parties receiving Advances, to address in each instance a Letter in quadruplicate to the Court of Directors, according to a form which will be furnished by the Officers of Government (or authorized Agents of the East India Company), signifying their assent to all the foregoing conditions, but more particularly for the purpose of expressly authorizing the sale of the Goods by the Company (without either notice to or concurrence of any person whomsoever) at any period after default shall be made either in acceptance or payment of the Bills; also authorizing, in such cases, the re-paying to the Company the Advances made, either principal or interest, together with any other charges or expenses which the Company may have incurred in respect of the Goods, and appointing the Agent in England for each transaction.

The Honorable the President in Council gives notice, that the Mint Master at Calcutta has been authorized to receive, until further orders, Madras Rupees of full weight at their intrinsic par, viz. as equal to Company's Rupees, without any charge of seignorage for recoinage.

**FORT WILLIAM,
FINANCIAL DEPARTMENT.
MINT.
THE 9TH MAY, 1838.**

The Public is hereby informed, that the Mint Master of Calcutta has been authorized, until further orders, to receive Bombay and Furruckabad Rupees in like manner as Madras Rupees, and generally the Rupees issued from any Mint of the British Government that may still be a legal tender in any part of India for recoinage, without demand of Seignorage duty—Rupees of any such coinage will be received by weight according to the forms of the Mint for the receipt of Bullion, and if of equal standard a Mint Certificate will be granted entitling the holder to Company's Rupees of equal weight. If the coin brought be better than standard, the advantage will be given according to the Tables, but counterfeit pieces, as well as drilled, plugged and other bad coin, will of course be rejected. The Mint of Calcutta will not however receive a less quantity of the coins above specified than 1,000 Tolas, but for the convenience of Officers and Soldiers and other persons in public employ, less sums than 1,000 Tolas will be exchanged on the same terms at the General Treasury,—the Sub-Treasurer having been authorized to collect them for transmission to the Mint.

**FORT WILLIAM,
FINANCIAL DEPARTMENT,
THE 23D MAY, 1838.**

The Hon'ble the Deputy Governor of Bengal directs that the following Extract from a Dispatch from the Hon'ble the Court of Directors in the Financial Department, dated the 20th March last, be published for the information of the Members of the Civil Service of this Presidency:

Para. 1. In our Despatch to India in this Department dated 27th May 1835, we sanctioned for a limited period and on specific conditions the appropriation to Subscribers to the Civil Service Retiring Funds of two-thirds of the unaccepted Annuities of each year at one-fourth instead of one-half their value, and we desired that twelve months before the expiration of the period fixed there might be transmitted to us particular information of the state of the Funds at that date, and of the effect produced by the authorized modification in order that we might determine upon the propriety of its continuance.

2d. We rely upon receiving the information required as soon as possible after the appointed period—but to prevent incommensurate from the declaration of our intentions not having reached India at the date of the expiration of the time to which the trial of the

plan was limited, we are willing to enlarge that limitation to the 30th of April 1840; and we desire to be furnished with an account made up to the 30th of April 1839, similar to that required in our Despatch above referred to.

**FORT WILLIAM,
FINANCIAL DEPARTMENT,
THE 27TH JUNE, 1838.**

The Hon'ble the Deputy Governor of Bengal directs, that the following Extract from a Despatch from the Hon'ble the Court of Directors, in the Financial Department, dated the 28th March 1838, be published for information.

14. *Relates to Application from Messrs. Bruce, Shand and Co. for advance upon Goods consigned to Liverpool, the Bills being payable in London, which was refused.*

5. In our Despatch to Bombay in this Department dated the 6th July 1836, a copy of which was forwarded for your information, we authorized the Bombay Government so far to relax the Regulations for effecting remittances as to make advances on Goods consigned to Liverpool, in consideration of its being almost exclusively the Port of the great Cotton District of England, but with the proviso that the Bills must in all cases be made payable in London, and we shall not object to sanction a similar relaxation of the Regulations at your Presidency. You will distinctly understand however that no modification of this kind can be permitted without previous reference to us, and in case of such reference becoming necessary, we desire that you will furnish us with any information which you may be able to obtain as to the probability of an extensive or permanent demand for remittance to the proposed Port, in order that our judgment may be assisted in deciding upon arrangements with which considerable trouble and expense are connected for local management and superintendence.

6. Glasgow being the chief Port for the Cotton District of Scotland, as is Liverpool for that of England, we shall not object to advances on Goods consigned to that Port—such extension must take place upon the same conditions in every respect as those which we have laid down with regard to Liverpool.

The Right Hon'ble the Governor General directs the following Augmentation to be made to the Native Army on the Bengal Establishment:

To each Infantry Regiment of the Line, ten Privates per Company.

GENERAL ORDERS BY THE RIGHT HONORABLE THE
GOVERNOR GENERAL.

SIMLA, 29TH JUNE, 1898.

The Right Honorable the Governor General directs the publication of the following paras. of a Letter from the Honorable the Court of Directors in the Military Department, to the address of the Governor General of India in Council, No. 3 of 1898, dated the 11th April last.

"Para. 1. The Government of Madras have forwarded to us several Memorials from Officers of the European Regiment at that Presidency, bringing to our notice the consequences entailed upon them as to rank and certain pecuniary advantages, by the arrangement of the year 1829, under which the two Regiments of European Infantry, of 5 Companies each, were incorporated into one Regiment of 8 Companies, but the Officers still remained for purposes of promotion as they stood before the incorporation, viz. in two separate Corps or Wings.

2. A Memorial on the same subject was preferred to us by Officers of the Bombay European Regiment, in the year 1832, to which we replied on the 24th October 1832, through the Government of Bengal, in the following terms: "We concur in opinion with the Governor General (as expressed in his Minute of the 7th November 1831,) that no supercession, properly so called, has been the result of the new form given to our European Regiments, by the Orders of your Government of the 2d November 1829; and that no argument can be founded upon a fortuitous irregularity of promotion among the Officers attached to the two Wings of those Regiments, for setting aside an arrangement which has reduced the expense and improved the efficiency of those Corps."

3. We still adhere to these sentiments; but we are of opinion that, for the satisfaction and contentment of the Officers, measures should be taken which will have the effect of obviating prospectively the supercession in Regiments of one Officer by another in the same Regiment.

4. With this view we now direct, that Officers of the European Regiment hereafter promoted in any one Wing, shall not be entitled to Regimental Rank, in virtue of that promotion, unless they were previously the Senior of their Rank in the Regiment, but that so long as they serve with the Regiment, their Rank so obtained shall be Brevet only, and not Regimental. They will, notwithstanding, be entitled to the pay and allowances of their advanced Rank, and to its full advantages for Line Promotion.

5. With a view to the adoption of an eventual arrangement, by which all such questions shall be obviated, we further direct, that no vacancies amongst the Ensigns in one of the Wings, (either the Right or Left as you may think most expedient) be hereafter filled up, but that as vacancies for Ensigns occur in it, appointments of an equal number be made to the remaining Wing. When all the Ensigns now attached to the Wing to be reduced shall have been promoted, future vacancies of Lieutenants in it will not be filled in that Wing, but by promotions in the Wing which is retained, and so on in the other Ranks. The Establishment of Officers in the European Regiment will thus eventually be—2 Lieutenant-Colonels, 2 Majors, 10 Captains, 16 Lieutenants, and 8 Ensigns, with 1 Colonel. The number of Colonels in the Infantry branch of the Service (calculated as including 2 for the European Regiment) to remain as at present, the Junior of them being unattached.

6. The number of Companies may in future be fixed at 10, instead of 8, with 65 Privates each."

2. The arrangement detailed in the foregoing paras. will be adopted simultaneously at the Three Presidencies, on the 1st of September next, from which date effect will be given to the Orders of the Honorable Court, in regard to the Commissioned Officers of the Company's European Infantry Regiments; those of the Left Wing of Regiments respectively, being gradually absorbed in the manner prescribed by the Court, as Casualties shall hereafter occur in that Wing.

3. From the same date the Regiments above specified will be formed into 10 Companies each, of 4 Sergeants, 4 Corporals, 2 Drummers, and 65 Privates per Company.

Secy. to the Govt. of India Mily. Dept.,
with the Rt. Hble. the Govr. Genl.

FORT WILLIAM,
GENERAL DEPARTMENT, 26TH JUNE, 1832.

All Public Officers of Government sending Advertisements to the *Calcutta Gazette* for Publication, are hereby directed to make them as short as possible, and to specify always how many times the Advertisement shall be repeated.

By Order of the Hon'ble the Vice President in Council,

H. T. PRINSEP, *Secy. to the Govt.*

FORT WILLIAM,
FINANCIAL DEPARTMENT,
THE 15TH JUNE, 1836.

Notice is hereby given, that under instructions just received from the Honorable Court of Directors, the following Terms and Conditions for making Advances upon the Goods and Merchandize of Individuals intended for Consignment to England re-payable to the Court of Directors of the East India Company, have been substituted for those contained in the Advertisement of this Department, dated the 27th October 1834.

1st.—The parties to whom Advances may be made shall agree that the respective Consignments be delivered into such Warehouses as the Court of Directors may approve: and that they be subject to the Control of the Court of Directors until the lien of the Company upon the Consignment shall have been satisfied.

2d.—Upon each Consignment, the value of which is to be ascertained by the Officers of the Indian Governments, or Authorized Agents of the East India Company, an Advance not exceeding two-thirds of such ascertained value will be made.

3d.—For re-payment of the Advance, Bills of Exchange to be drawn in triplicate, at six months sight, at the rate of—

s. d.

Per Company's Rupee for Advances made at.....	Bengal.
Ditto..... Ditto.....	Madras.
Ditto..... Ditto.....	Bombay.
Per Spanish Dollar, Ditto.....	China.

4th.—The Parties will be required to place in the hands of the Board of Customs, Salt and Opium, Bills of Lading of the Consignment and Policies of Insurance effected thereon, both in triplicate. The Bills of Lading must be drawn deliverable to the East India Company, or endorsed to the order of the East India Company. The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested; or endorsed to their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors

to be authorized, in such manner and at such times as they may see fit to sell the Goods, for the purpose of re-paying the Company the amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

6th.—An Agent in England shall be appointed for each Consignment, to whom the Court of Directors shall be empowered to make over the Goods, subject to all the conditions agreed upon with the Company, on payment of the Bills; and with whom they shall be authorized to transact generally all business relating to such Goods. The Consignor shall be at liberty to make provision, in case of the Party upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

8th.—The rate of Discount to be allowed by the Company shall be the same as that charged by the Bank of England.

9th.—It is expected that Parties or their Agents will cause the Goods to be Insured from fire, such Insurance to take effect from the date of the termination of the Sea risk; as the East India Company will not undertake to effect any Insurance upon them.

10th.—Parties receiving Advances, to address in each instance a Letter in quadruplicate to the Court of Directors, according to a form which will be furnished by the Officers of Government (or authorized Agents of the East India Company), signifying their assent to all the foregoing conditions, but more particularly for the purpose of expressly authorizing the sale of the Goods by the Company (without either notice to or concurrence of any person whomsoever) at any period after default shall be made either in acceptance or payment of the Bills; also authorizing, in such cases, the re-paying to the Company the Advances made, either principal or interest, together with any other charges or expenses which the Company may have incurred in respect of the Goods, and appointing the Agent in England for each transaction.

The Honorable the President in Council gives notice, that the Mint Master at Calcutta has been authorized to receive, until further orders, Madras Rupees of full weight at their intrinsic par, viz. as equal to Company's Rupees, without any charge of seignorage for recoining.

By Order of the Hon'ble the President in Council,
H. T. PRINSEP, *Secy. to the Govt. of India.*

**FORT WILLIAM,
FINANCIAL DEPARTMENT,
MINT.
THE 9th MAY, 1838.**

The Public is hereby informed, that the Mint Master of Calcutta has been authorized, until further orders, to receive Bombay and Furruckabad Rupees in like manner as Madras Rupees, and generally the Rupees issued from any Mint of the British Government that may still be a legal tender in any part of India for recoining, without demand of Seignorage duty—Rupees of any such coinage will be received by weight according to the forms of the Mint for the receipt of Bullion, and if of equal standard a Mint Certificate will be granted entitling the holder to Company's Rupees of equal weight. If the coin brought be better than standard, the advantage will be given according to the Tables, but counterfeit pieces, as well as drilled, plugged and other bad coin, will of course be rejected. The Mint of Calcutta will not however receive a less quantity of the coins above specified than 1,000 Tolas, but for the convenience of Officers and Soldiers and other persons in public employ, less sums than 1,000 Tolas will be exchanged on the same terms at the General Treasury, the Sub-Treasurer having been authorized to collect them for transmission to the Mint.

**FORT WILLIAM,
FINANCIAL DEPARTMENT,
THE 23d MAY, 1838.**

The Hon'ble the Deputy Governor of Bengal directs that the following Extract from a Dispatch from the Hon'ble the Court of Directors in the Financial Department, dated the 20th March last, be published for the information of the Members of the Civil Service of this Presidency:

Para. 1. In our Despatch to India in this Department dated 27th May 1835, we sanctioned for a limited period and on specific conditions the appropriation to Subscribers to the Civil Service Retiring Funds of two-thirds of the unaccepted Annuities of each year at one-fourth instead of one-half their value, and we desired that twelve months before the expiration of the period fixed there might be transmitted to us particular information of the state of the Funds at that date, and of the effect produced by the authorized modification in order that we might determine upon the propriety of its continuance.

2d. We rely upon receiving the information required as soon as possible after the appointed period—but to prevent inconvenience from the declaration of our intentions not having reached India at the date of the expiration of the time to which the trial of the

plan was limited, we are willing to enlarge that limitation to the 30th of April 1840; and we desire to be furnished with an account made up to the 30th of April 1839, similar to that required in our Despatch above referred to.

H. T. PRINSEP,
Secy. to the Govt. of Bengal.

**FORT WILLIAM,
FINANCIAL DEPARTMENT,
THE 27th JUNE, 1838.**

The Hon'ble the Deputy Governor of Bengal directs, that the following Extract from a Despatch from the Hon'ble the Court of Directors, in the Financial Department, dated the 28th March 1838, be published for information.

14. *Relates to Application from Messrs. Bruce, Shand and Co. for advance upon Goods consigned to Liverpool, the Bills being payable in London, which was refused.*

5. In our Despatch to Bombay in this Department dated the 6th July 1836, a copy of which was forwarded for your information, we authorized the Bombay Government so far to relax the Regulations for effecting remittances as to make advances on Goods consigned to Liverpool, in consideration of its being almost exclusively the Port of the great Cotton District of England, but with the proviso that the Bills must in all cases be made payable in London, and we shall not object to sanction a similar relaxation of the Regulations at your Presidency. You will distinctly understand however that no modification of this kind can be permitted without previous reference to us, and in case of such reference becoming necessary, we desire that you will furnish us with any information which you may be able to obtain as to the probability of an extensive or permanent demand for remittance to the proposed Port, in order that our judgment may be assisted in deciding upon arrangements with which considerable trouble and expense are connected for local management and superintendence.

6. Glasgow being the chief Port for the Cotton District of Scotland, as is Liverpool for that of England, we shall not object to advances on Goods consigned to that Port—such extension must take place upon the same conditions in every respect as those which we have laid down with regard to Liverpool.

FORT WILLIAM,

FINANCIAL DEPARTMENT,

27TH JUNE, 1834.

Notice is hereby given, that under instructions just received from the Honorable Court of Directors, the following Terms and Conditions for making Advances upon the Goods and Merchandize of Individuals intended for Consignment to England re-payable to the Court of Directors of the East India Company, have been substituted for those contained in the Advertisement of this Department, dated the 27th October 1834.

1st.—The parties to whom Advances may be made shall agree that the respective Consignments be delivered into such Warehouses as the Court of Directors may approve: and that they be subject to the Control of the Court of Directors until the lien of the Company upon the Consignment shall have been satisfied.

2d.—Upon each Consignment, the value of which is to be ascertained by the Officers of the Indian Governments, or Authorized Agents of the East India Company, an Advance not exceeding two-thirds of such ascertained value will be made.

3d.—For re-payment of the Advance, Bills of Exchange to be drawn in triplicate, at six months sight, at the rate of—

s. d.

Per Company's Rupee for Advances made at.....	Bengal.
Ditto.....	Madras.
Ditto.....	Bombay.
Per Spanish Dollar, Ditto.....	China.

4th.—The Parties will be required to place in the hands of the Board of Customs, Salt and Opium, Bills of Lading of the Consignment and Policies of Insurance effected thereon, both in triplicate. The Bills of Lading must be drawn deliverable to the East India Company, or endorsed to the order of the East India Company. The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors

to be authorized, in such manner and at such times as they may see fit to sell the Goods, for the purpose of re-paying the Company the amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

6th.—An Agent in England shall be appointed for each Consignment, to whom the Court of Directors shall be empowered to make over the Goods, subject to all the conditions agreed upon with the Company, on payment of the Bills; and with whom they shall be authorized to transact generally all business relating to such Goods. The Consignor shall be at liberty to make provision, in case of the Party upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

8th.—The rate of Discount to be allowed by the Company shall be the same as that charged by the Bank of England.

9th.—It is expected that Parties or their Agents will cause the Goods to be insured from fire, such Insurance to take effect from the date of the termination of the Sea risk; as the East India Company will not undertake to effect any Insurance upon them.

10th.—Parties receiving Advances, to address in each instance a Letter in quadruplicate to the Court of Directors, according to a form which will be furnished by the Officers of Government (or authorized Agents of the East India Company), signifying their assent to all the foregoing conditions, but more particularly for the purpose of expressly authorizing the sale of the Goods by the Company (without either notice to or concurrence of any person whomsoever) at any period after default shall be made either in acceptance or payment of the Bills; also authorizing, in such cases, the re-paying to the Company the Advances made, either principal or interest, together with any other charges or expenses which the Company may have incurred in respect of the Goods, and appointing the Agent in England for each transaction.
